### **Simple funeral (cremation or burial)**

A funeral service to assist people who require a simple funeral due to their financial circumstances. This funeral consists of assisting with the completion of all necessary documentation and liaising with all the appropriate authorities. The transfer of the deceased during normal working hours, a simple coffin, the hearse direct to the funeral location, the funeral director's attendance and four bearers. No other services can be added. **£1,520.00 + disbursements\***

### **Direct cremation funeral**

This allows the deceased to be cremated without any form of service or attendance at the cremation. Our price includes the transfer of the deceased during normal working hours, a simple coffin, and a hearse to the crematorium, completion of all paper work, while still retaining the deceased's dignity but at an abridged price. Cremated remains can be collected from us or we can arrange to have them scattered at the crematorium. **£1,045.00 + disbursements\***

**50% of all costs will be required one week before the day of the funeral, the funeral full account is sent one week after the service & to be paid fully within two weeks of that date.**

**Full payment in advance is required for a Direct Cremation**
