## Examples of Funerals Services Cost

### **Traditional Cremation Funeral Service**

We work with you in making the funeral arrangements by sharing information so you can make informed decisions on how to say goodbye.

Our professional services include, assisting you with the completion of all necessary documentation; arranging & liaising with a Minister or Celebrant; supplying the chosen coffin from our selection; preparation of the deceased & the use of our chapel of rest; use of a traditional hearse (other options include Lorry hearse, Motorcycle & Sidecar hearse, Horse drawn hearse, Land Rover hearse); attendance of the Funeral Director & four bearers at one funeral location (other options include a service prior to or following the cremation); arranging & receiving floral tributes; receiving & accounting of donations, forwarding these to the charity and supplying next of kin with a details. (based on Herne Bay peak times) **£3,795.00**

### **Traditional Burial Funeral Service (Whitstable/Herne Bay/Canterbury Cemeteries)**

Similar to a Traditional Cremation, but includes arranging for burial of the deceased in one of the cemeteries run by Canterbury City Council (other options include burial in a church graveyard). Our services include purchasing a burial plot (if not already purchased) and arranging for the preparation of the grave. **£4,958.00**

### **Natural Burial Funeral Service (Riverview Natural Burial Ground)**

Similar to a Traditional burial, but includes a cardboard "eco" coffin, purchase of the burial plot at the Natural Burial Ground. **£4,058.00**

### **Simple Cremation Funeral**

A funeral service to assist people who require a simple funeral due to their financial circumstances. This funeral consists of assisting with the completion of all necessary documentation and liaising with all the appropriate authorities. The transfer of the deceased during normal working hours, a simple coffin, the hearse direct to the funeral location, the funeral director's attendance and four bearers. (Additional services can be added) **£3,395.00** (or £3215.00 if early morning - 9am)

### **Direct Cremation funeral**

This allows the deceased to be cremated without any form of service or attendance at the cremation, while still retaining the deceased's dignity but at an abridged price. Our price includes the transfer of the deceased during normal working hours, completion of all paperwork, a simple coffin, and a vehicle to the crematorium.

Cremated remains can be collected from us or we can arrange to have them scattered at the crematorium. **£1,395.00**

### **Attended Direct Cremation Funeral**

Similar to direct cremation, with up to a maximum of 8 people in attendance with 10 minutes in the chapel and one piece of music (available early morning Monday-Thursday only, additional services can be added). **£1,695.00**

### **Direct Natural Burial Funeral**

This allows the deceased to be buried without any form of service or attendance at the Riverview Natural Burial Ground (Wardwell Lane, Sittingbourne).

Our price includes the transfer of the deceased during normal working hours, a simple "eco" coffin, purchase of the burial plot, grave preparation, provision of a vehicle to the Natural Burial Ground, and the completion of all paperwork. **£2,735.00**

*50% of all costs will be required one week before the day of the funeral, the funeral full account is sent one week after the service & to be paid fully within two weeks of that date. Full payment in advance is required for Direct funerals*
